Resolution No. 29-88

### RESOLUTION OF SUPPORT FOR THE WIDENING OF HIGHWAY 260 IN THE HEBER AREA

WHEREAS, in July of 1986 the Arizona Department of Transportation Planning Division completed a corridor study of the area through Heber and recommended this project have the highest priority of several that were recommended; and

WHEREAS, during May of 1987 the WLB Group, Inc. completed a safety study for this same corridor recommending "top priorities for improvement of the ninety degree curve in Heber" and "widening two bridges to develop the best safety factor"; and

WHEREAS, the last three years of safety records have shown that the accident rate per mile for this section of road is very high; and

WHEREAS, in August of 1987 the Northern Arizona Council of Governments Transportation Committee recommended this project with a high priority to the Arizona Department of Transportation District Engineer; and

WHEREAS, the Arizona Department of Transportation District Engineer recommended to the Priority Planning Division of the Arizona Department of Transportation that this project be given a high priority; now

THEREFORE, BE IT RESOLVED that the Navajo County Board of Supervisors strongly supports the widening of Highway 260 through Heber to a full five-lane urban section including the widening of the two bridges in town; and
